OK, I've heard from the ADA in Woburn and this is what he wrote:

"This case is still on for trial on October 12. The defense attorney just finished a trial in New Hampshire and is going to try to get another date. He has also suggested that this will probably be a plea anyway. Right now, however, I think the judge is going to hold his feet to the fire and force the trial or a plea. In that regard, I want to make sure I am ready if this case goes. Are either or both of you available on the 13th or 14th next week. It is likely I would need you on the 13th as this should be a very quick case."

Hope this helps.
